

Dear Parents,

International Day at OLG is an annual event that brings students and parents together for a morning of multi-cultural learning. Students have an exciting opportunity to hear from parents about countries around the world, and parent volunteers enjoy the rare privilege of interacting with the children in our OLG community in a very special setting: their Montessori classroom. Year after year, this memorable event is a favorite of both children and adults alike!

We rotate through the continents each year, and this year we are looking for parent volunteers to represent countries from **Africa & Europe**. Often, parents select countries with which they have a special connection (heritage, travels, etc.) but this is not a requirement! You need only to be interested and willing to learn and create a presentation about a country...and engage our children in learning about what makes it an interesting place.

Come on out for this special volunteer opportunity – help us take the children on a virtual visit to Africa & Europe! International Day will take place on February 1, 2019 from 9:15-11:15am. **All interested parents are invited to attend an information meeting at the Castle...choose from two times: Wednesday January 16 at 9 a.m. (after morning drop off) or 7:30 p.m..** If you cannot attend the information session but would still like to participate, we are happy to have you on board – please contact Yasmina or Lauren for more information.

Please contact Yasmina Lowe (yasthedealmaker@gmail.com) or Lauren Ellis (lauren@dr Laurenellis.com) with your interest or any questions about volunteering.

Sincerely,

Lauren Ellis (AM South) & Yasmina Lowe (AM South & AM East)
